

Devil On Your Back

The Letter Black

Lost all direction your disconnection
Is fooling no one the damage is done
Chased by desire burned by the fire
You won't let go you're losing control

Take it from me, take it from me, take it
Take it from me, take it from me, take it
Savor it, Savor it take it

I feel like you know what I'm feeling
It's devil on your back you thought you buried in the past
I feel like you know what I'm feeling
Like you're holding onto life by the skin of your teeth

Do you know how I'm feeling?
Do you know?
Do you know?
How I'm feeling?
Do you know?
Do you know?
How I'm feeling?

You're so protected, so resurrected
But you're standing still rejecting what's real
Your desperation, a fake fixation
Is weighing you down holding you back

Take it from me, take it from me, take it
Take it from me, take it from me, take it
Take it from me, take it from me, take it
Take it from me, take it from me, take it

I feel like you know what I'm feeling
It's that devil on your back you thought buried in the past
I feel like you know what I'm feeling
Like you're holding onto life by the skin of your teeth

Do you know how I'm feeling?
Do you know?
Do you know?
How I'm feeling
Do you know?
Do you know?
How I'm feeling?

Get off my back!
Get off of my back!
Get off my back!
Get off of my back!

I feel like you know what I'm feeling
It's that devil on your back you thought buried in the past
I feel like you know what I'm feeling
Like you're holding onto life by the skin of your teeth

Do you know how I'm feeling?
Do you know?

Do you know?
Do you know how I'm feeling?
Do you know?
Do you know?
Do you know?
Do you know?
Do you know?
Do you know?
Do you know?
Do you know?
Do you know?
How I'm feeling?
