

Rising Up From The Ashes

The Living End

Just when you thought
That you had it all worked out
You will be the last one
To figure it out

Then you will see
That in order to be free
We just don't wanna fake it
Anymore

It doesn't seem to add up
And nothing seems to matter
You've outgrown all the anger
You know that it's not the answer

Rising up from the ashes
You know we never meant to burn
Rising up from the ashes

We don't wanna answer
To a mixed up generation
There'll only be separating
And if we burn
Then what have we learned
