

## So Lonely

The Living End

We may be small but that's alright  
Sleep all day come out at night  
Been kicked around but that's ok  
One of these days we'll have our say  
Singing out couldn't care less  
The neighborhood yells out give it a rest (hey)

So lonely  
I'm feeling blue  
Yeah if only  
I can find a lonely kid too

(Alright)

Whoa So lonely  
I'm feeling blue  
Yeah if only  
I can find a lonely kid too

We may be small but that's alright  
Sleep all day come out at night  
Been kicked around but that's ok  
One of these days we'll have our say  
Singing out couldn't care less  
The neighborhood yells out give it a rest (hey)

So lonely  
I'm feeling blue  
Yeah if only  
I can find a lonely kid too

Well we may be small but that's alright  
Sleep all day come out at night  
Been kicked around but that's ok  
One of these days we'll have our say  
Singing out couldn't care less  
The neighborhood yells out give it a rest

(hey, hey, hey)
