## **Madame Ray**

## **The Long Blondes**

Give me a polaroid picture  $\square$ till you fit in my pocket Now paste it into my heart shaped locket Eventually  $\square$ ll cheat on every man I meet I know I cant help it

Buy me a drink and I will tell you my name IDm a rose petal fallen from a mainline train Always there to touch but just out of reach I know you canDt help it in the way you write my name An object of destruction made for Madame Ray Ooh oh, iDll be your apprentice Ooh oh, iDm still in my 20s

Eyes from a portrait of one whose love could see no more, You cant keep her captive, on your wall

Left New York but drew my outline On a ticket back to london Whitewashed all my boyfriends features Sola rising future pictures

Lie behind a camera past the city music hall, Madame Ray will sit me high above you all

Left New York but drew my outline On a record sleeve in brooklyn Whitewashed three years of existence Sola rising future pictures

Man let go, he couldn□t keep her Locks of hair on artist□s scissors Traces of unseen love rivals Sola rising into pictures

I am forever being put away and i am always in reserve

Always in reserve
Materials indestructible
Forever being put away
Taken for a ride, put on the spot
The locket must go on
I am always in reserve

I am forever being put away and i am always in reserve
