World Love

The Magnetic Fields

When the rhythm calls the government falls Here come the cops From Tokyo to Soweto viva la musica pop We are black & white And we dance all night down at the hop and the letters were tal 1

On the Berlin Wall viva la musica pop so if you're feeling low

Stuck in some bardo I, even I know the solution Love, music, wine and revolution love, love, love music, wine a nd revolution

This too shall pass so raise your glass to change and chance And freedom is the only law shall we dance...
