

That's What Love Is Made Of

The Miracles

You take sugar and spice
Everything nice
And youve got a little girl, yeah yeah

You take snakes and snails
Some puppy dog tails
And youve got a little boy yeah yeah
That's what love is made of
Said that's what love is made of

Some, snakes, snails, puppy dog tails
Sugar, spice, everything nice
Yeah, yeah, alright

Somethin eles ya do
Ya take a walk by the sea
Two heart on a tree
And youve got a little gladness yeah yeah

Then two eyes cry
Two hearts say goodbye
Ya got a little saddness yeah yeah

That's what love is made of
Talkin to ya now
That's what love is made of
Hearts say goodbye
Hearts have to cry
Hearts on a tree
Walks by the sea
Snakes, snails, puppy dog tails
Sugar, spice everything nice
Yeah, yeah, alright

One more thing
You take a rude word spoken yeah
Pride gets broken
And youve got a little break up yeah yeah

Take a little bit a soul
Sweet loves bein told
Say youve got a little make up yeah yeah
That's what love is made of
Oooo-oooo
That's what love is made of
Words bein told with a little bit of soul
Pride gets broken
Rude gets spoken
Hearts say goodbye
Eyes have to cry
Hearts on a tree
Walks by the sea
Snakes, snails, puppy dog tails
Sugar, spice, everything nice yeah yeah
A hold on
