

# Love Came Tumblin' Down

The Monks

Whoa, whoa, whoa,  
Love came tumblin' down.  
Whoa whoa whoa  
I'm not so glad I found  
Someone to love me.  
When you left you took my love  
But I guess I'll never learn  
In your arms I must return.  
Whoa, whoa, whoa,  
I wanted you before.  
Whoa, whoa, whoa,  
I didn't know what was in store.  
Your love came tumblin' down.
