

Eyes of a Child

The Moody Blues

Listen, hear the sound
The child away
Wander all around
The child away
Now in his life he never must be lost
No thoughts must deceive him
In life he must trust

With the eyes of a child
You must come out and see
That your world's spinning 'round
And through life you will be
A small part of a hope
Of a love that exists
In the eyes of a child
You will see

Earth falls far away
New life away
Time it has no day
New life away
Here is your dream and now how does it feel?
No words will go with you
And now what is real?

With the eyes of a child
You must come out and see
That your world's spinning 'round
And through life you will be
A small part of a hope
Of a love that exists
In the eyes of a child
You will see
