

# The Story In Your Eyes

The Moody Blues

I've been thinking about our fortune  
And I've decided that we're really not to blame  
For the love that's deep inside us now  
Is still the same

And the sounds we make together  
Is the music to the story in your eyes  
It's been shining down upon me now  
I realize

Listen to the tide slowly turning  
Wash all our heartaches away  
We're part of the fire that is burning  
And from the ashes we can build another day

But I'm frightened for your children  
That the live that we are living is in vain  
And the sunshine we've been waiting for  
Will turn to rain

Listen to the tide slowly turning  
Wash all our heartaches away  
We're part of the fire that is burning  
And from the ashes we can build another day

But I'm frightened for the children  
That the live that we are living is in vain  
And the sunshine we've been waiting for  
Will turn to rain

When the final line is over  
It's certain that the curtain's gonna fall  
I can hide inside your sweet sweet love  
For ever more
