

## When a Child Is Born

The Moody Blues

A ray of hope flickers in the sky  
A tiny spark lights up way up high  
All across the land dawns a brand new morn  
This comes to pass when a child is born

A silent wish sails the seven seas  
The winds of change whisper in the trees  
And the walls of doubt crumble, tossed and torn  
This comes to pass when a child is born

A rosy hue settles all around  
You've got the feel you're on solid ground  
For a spell or two, no one seems forlorn  
This comes to pass when a child is born

It's all a dream, an illusion now  
It must come true, sometime soon, somehow  
All across the land dawns a brand new morn  
This comes to pass when a child is born.
