Your Wildest Dreams

The Moody Blues

Once upon a time Once when you were mine I remember skies Reflected in your eyes I wonder where you are I wonder if you Think about me Once upon a time In your wildest dreams

Once the world was new Our bodies felt the morning dew That greets the brand new day We couldn't tear ourselves away I wonder if you care I wonder if you still remember Once upon a time In your wildest dreams

And when the music plays And when the words are Touched with sorrow When the music plays I hear the sound I had to follow Once upon a time Once beneath the stars The universe was ours Love was all we knew And all I knew was you I wonder if you know I wonder if you think about it Once upon a time In your wildest dreams

And when the music plays And when the words are Touched with sorrow When the music plays And when the music plays I hear the sound I had to follow Once upon a time

Once upon a time Once when you were mine I remember skies Mirrored in your eyes I wonder where you are I wonder if you Think about me Once upon a time In your wildest dreams In your wildest dreams In your wildest dreams
