

Easy Way Out

The Nearly Deads

I knew you'd set me off, you don't believe in this
You don't believe in me, don't think you ever did
Looks like you've given up, you didn't have the trust
You couldn't keep the faith, no, you weren't true enough

Your heart isn't in this, I don't care, I don't care
If your heart isn't with me, I don't care

So you want this bad enough
But there's no easy way, no
No easy way out
So, you got something with your heart
But there's no easy way, no
No easy way out, no

You're turning out the lights, just need to get some sleep
But we've been staying up all night, all night
Just wanna live our lives, just wanna have some fun
You couldn't handle us, slow, you couldn't handle us

Your heart isn't in this, I don't care, I don't care
If your heart isn't with me, I don't care

So you want this bad enough
But there's no easy way, no
No easy way out
So, you got something with your heart
But there's no easy way, no
No easy way out, no

Sorry this isn't what you want
Sorry this isn't what you want

So you want this bad enough
But there's no easy way, no
No easy way out
So, you got something with your heart
But there's no easy way, no
No easy way out, no
