

Cry Baby

The Neighbourhood

I think I talk too much
I need to listen, baby (2x)
I need to listen good
I think I try too hard
How I look,
what I do,
what I'm sayin'
I spend too much time explaining myself
I hope there is some time to change it

I can taste it
my heart's breaking
please don't say it
That you know,
when you know

I can't take it
I'm impatient
tell me baby
Now you know,
you should go

I know I'll fall in love with you baby,
and that's not what I want to do.
I hope you won't ever lie to me,
and if you do I know,
I won't be a cry baby.

I think I worry a lot,
I need to take it easy,
I have got this anxious feeling,
but it goes away for a minute,
when I'm with you breathing.

I can taste it
my heart's breaking
please don't say it
That you know,
when you know.

I can't take it
I'm impatient
tell me baby
Now you know,
you should go.

I know I'll fall in love with you baby,
and that's not what I want to do.
I hope you won't ever lie to me,
and if you do I know,
I won't be a cry baby.

The sun's coming out,
but I'm feeling colder.

I know I'll fall in love with you baby,
yeah that's just what I'll do.

I hope you won't ever lie to me,
and if you do I know,
I won't be a cry baby.

Cry baby, cry baby,
I need to cry, baby.
Cry baby, cry baby,
You need to cry, baby,
Cry baby, cry baby,
We need to cry,
and if we do, I know
that would be alright.
