

She planned ahead for a year  
He said let's play it by ear  
She didn't want him to run  
He didn't want her to fear  
Nobody said it'd be easy  
They knew it was rough but tough luck  
I fell in love today  
There aren't any words that you can say,  
That could ever get my mind to change  
She's enough for me  
She's in love with me

You're a doll, you are flawless  
But I just can't wait for love to destroy us  
I just can't wait for love  
The only flaw, you are flawless  
But I just can't wait for love to destroy us  
I just can't wait for love

So, she put his heart in a bag  
He wouldn't ask for it back  
He didn't want her to cry  
She didn't want to be sad  
She said you'd better not leave me  
This shit'll be fucked for days, and weeks, and months, but...  
I fell in love today  
There aren't any words that you can say,  
That could ever get my mind to change  
She's enough for me  
She's in love with me

You're a doll, you are flawless  
But I just can't wait for love to destroy us  
I just can't wait for love  
The only flaw, you are flawless  
But I just can't wait for love to destroy us  
I just can't wait for love

Add it all up, I can find it  
The problem with love, is i'm blinded by...  
It rattles my lungs, but my mind is  
Tangled between your little thoughts  
Your thoughts  
Your thoughts  
Your thoughts

You're a doll, you are flawless  
But I just can't wait for love to destroy us  
I just can't wait for love  
The only flaw, you are flawless  
But I just can't wait for love to destroy us  
I just can't wait for love  
Wait for love  
I won't wait for love  
Wait for love  
I won't wait for love  
Wait for love
