Wait for love

I won't wait for love

She planned ahead for a year He said let's play it by ear She didn't want him to run He didn't want her to fear Nobody said it'd be easy They knew it was rough but tough luck I fell in love today There aren't any words that you can say, That could ever get my mind to change She's enough for me She's in love with me You're a doll, you are flawless But I just can't wait for love to destroy us I just can't wait for love The only flaw, you are flawless But I just can't wait for love to destroy us I just can't wait for love So, she put his heart in a bag He wouldn't ask for it back He didn't want her to crv She didn't want to be sad She said you'd better not leave me This shit'll be fucked for days, and weeks, and months, but... I fell in love today There aren't any words that you can say, That could ever get my mind to change She's enough for me She's in love with me You're a doll, you are flawless But I just can't wait for love to destroy us I just can't wait for love The only flaw, you are flawless But I just can't wait for love to destroy us I just can't wait for love Add it all up, I can find it The problem with love, is i'm blinded by... It rattles my lungs, but my mind is Tangled between your little thoughts Your thoughts Your thoughts Your thoughts You're a doll, you are flawless But I just can't wait for love to destroy us I just can't wait for love The only flaw, you are flawless But I just can't wait for love to destroy us I just can't wait for love Wait for love I won't wait for love
