

## Amazing Love

The Nitty Gritty Dirt Band

Amazing love so rich and rare  
Amazing love beyond compare  
A life so full of blessings  
And promises fulfilled  
Be careful not to run and hide  
From this amazing love

Once as a child I did not see  
That all my deeds returned to me  
But I have traveled miles  
And made a few mistakes  
I've learned about forgiveness  
And found amazing love

Even though a mother guards her children  
Still they stumble, fall and shed a tear  
Lessons learned and healing hands upon them  
Through the years, through the years

Was a time when I was so alone and...  
Feeling that my life was incomplete  
Oh my heavy heart was barely beating  
Down so deep, down so deep

Amazing love now in my arms  
Amazing love to call my own  
A life so full of blessings  
And promises fulfilled  
Be careful not to run and hide  
From this amazing love  
Amazing love...  
Amazing love  
Amazing love
