

# I've Not Forgotten You

The Notwist

Shiny girl  
I know what you need  
You think you're so clean  
In my head

Shiny girl  
I know what you need  
You're so clean  
In all you're things

I swear the things  
Before which God  
People are so afraid  
To die with a swollen face

I shed my fears  
And had my doubts  
But I have you  
And I have not forgotten you

I have not forgotten you  
I have not forgotten you  
I have not and I will not  
I have not forgotten you  
I have not forgotten you
