

No Surrender

The Outfield

No surrender
Even if it's over
No surrender
Stop pretending
You never cared for me
'Cos I remember
Words that we shared
A promise to keep
If they meant nothing to you
Well they still mean a whole lot to me

And if you tell me
To just walk away
And forget you forever
Then all I would say
Is no surrender

Even if you leave me
No surrender
Stop pretending
You never said those things
'Cos I remember
I remember
One small mistake
Turned into a crime
Oh but if I take the blame
You can go but I won't say goodbye
