

Winning It All

The Outfield

I'm closing up - I'm closing in
Couldn't wait for this moment to come
Couldn't wait for this day to begin
Won't be afraid - got so much pride
And I've never been a loser
And I just can't lose tonight

Winning it all -ain't gonna walk away
Giving it all - no matter what you say
Ain't gonna fall - don't wanna lose today
Winning it all

This time it's right - my time has come
Gonna give everything that I've got
Till it's over and victory's won
No second chance - no giving up
Because no one remembers a loser
And I don't intend to be one
