

Sink In

The Paper Kites

Your love is sweet
Sweeter than the ocean's deep
But it's never enough for me to keep
And your heart is warm
Warmer than a fire's storm
But it's never enough for me to keep
Ooh ooh ooh
Ooh ooh ooh
And all my life I have been so cold 'til you
Ba da da da da dum
Dum da da da da da dum
Words are weak
With longings that I cannot speak
To a heart that it sings is there to preach
But I'll sing them through
Hoping that they'll fall on you
Hoping that they'll sink into your ears
Ooh ooh ooh
Ooh ooh ooh
And all my life
I have been so cold
Til you
Ba da da da da dum
Dum da da da da da dum
Dum da da da da da dum
Dum da da da da da dum
Ooh ooh ooh
