Got a secret
Can you keep it?
Swear this one you'll save
Better lock it in your pocket
Taking this one to the grave
If I show you then I know you won't tell what I said
'Cause two can keep a secret if one of them is dead

Why do you smile like you've been told a secret? Now you're telling lies 'cause you have sworn to keep it But no one keeps a secret No one keeps a secret

Why when do our darkest deeds do we tell? They burn in our brains, become a living hell Because everybody tells Everybody tells

Got a secret
Can you keep it?
Swear this one you'll save
Better lock it in your pocket
Taking this one to the grave
If I show you then I know you won't tell what I said
'Cause two can keep a secret if one of them is dead

Look into my eyes, now you're getting sleepy Are you hypnotized by secrets that you're keeping? I know what you're keeping I know what you're keeping

Got a secret
Can you keep it?
Swear this one you'll save
Better lock it in your pocket
Taking this one to the grave
If I show you then I know you won't tell what I said
'Cause two can keep a secret if one of them is dead

Allison?

Yes, Catherine?

I have something I want to tell you but you have to promise never to tell an yone.

Do you swear on your life? I swear on my life.

You swore you'd never tell You swore you'd never tell You swore you'd never tell You swore you'd never tell

Got a secret
Can you keep it?
Swear this one you'll save
Better lock it in your pocket
Taking this one to the grave

If I show you then I know you won't tell what I said 'Cause two can keep a secret if one of them is dead (X3)
