

# I'm Not Sorry

## The Pigeon Detectives

You said things would never change  
But sometimes they get rearranged

I know that you're wrong  
You've known all along

You said I could keep you safe  
Then up and left without a trace

I know that you're wrong  
You've known all along

I'll never take it back  
I'll never take it back  
I didn't mean to make you cry  
I'm not sorry  
No, I'm not sorry  
No, I'm not sorry  
No, I'm not sorry

Things you say, they sound so fake  
Can make me drink until I ache

I know that you're wrong  
You've known all along

You're not pleased till you draw blood  
I don't hit back but think I should

I know that you're wrong  
You've known all along

I'll never take it back  
I'll never take it back  
I didn't mean to make you cry  
I'm not sorry  
No, I'm not sorry  
No, I'm not sorry  
No, I'm not sorry
