

Burning Pieces

The Pineapple Thief

I let go of everything
I bet my life on the sweetest thing
Does it mean that much to you?
Tell me, it means that much to you?

I don't want to know
What burns the hell inside of ou

I'm chasing pieces
The burning pieces
Of you
Of you
Of you

I don't want to know
What burns the hell inside of ou

I'm chasing pieces
The burning pieces
Of you
Of you
Of you

I don't want to know
What rules
The life inside of you
I don't want to know
What
What burns the hell inside of you
