Sister Europe

The Psychedelic Furs

Stupid on the Steinway So sick upon a Steinway The sailors drown

See them talk and see them drown And see them drink and fall around Up on the floor

Sister of mine, home again Sister of mine, home again

Lonely in a crowded room
The radio plays out of tune
So silently

The radio upon the floor Is stupid it plays Aznavour So out of key

Sister of mine, home again Sister of mine, home again

Broken on a ship of fools Even dreams must fall to rules So stupidly

Words are all just useless sound Just like cards they fall around And we will be

Sister of mine, home again Sister of mine, home again

Buy a car and watch it rust Sister see them fall to dust They fall around

In another crowded room
Paint me like the shirt I'm in
Honestly

Sister of mine, home again Sister of mine, home again

Sister of mine, sister of mine Sister of mine, sister of mine
