The Raveonettes

You  
Me  
Stars  
Sleep

Lone  
Roads  
Sprinkled  
With tears

Don't  
Self destruct  
Kill time  
With a baseball bat

And it makes me cry  
Makes me cry  
Summer threw our love away  
Makes me cry  
Makes me cry  
Summer threw our love away  
Threw our love away

Nose  
Kiss  
Drunk  
On wine

Red  
Moon  
In love  
Forever

And it makes me cry  
Makes me cry  
Summer threw our love away  
Makes me cry  
Makes me cry  
Summer threw our love away  
Threw our love away

A bad wipeout  
You beat 'em everytime  
A bad wipeout  
You beat 'em everytime  
You beat 'em everytime
