

At My Front Door

The Righteous Brothers

A crazy little mama, come knockin'
A-knockin' at my front door
A crazy little mama a-knockin'
A-knockin' at my front door
A crazy little mama, come a-knock-knock-knockin'
Just like she did before

I woke up this morning with a feeling of despair
Lookin' for my baby, but she wasn't there
When I heard someone knockin', well much to my surprise
Well there's to my baby lookin' in my eyes

A crazy little mama, come a-knock-knock-knockin'
Just like she did before

If you got a little mama and you wanna keep her neat
Well I keep that little mama off my feet
Same thing will happen like it did before
She'll come a-knock-knock-knockin' at my door

Yeah, crazy little mama, come a-knock-knock-knockin'
Just like she did before
A crazy little mama, come knockin'
A-knockin' at my front door
A crazy little mama a-knockin'
A-knockin' at my front door
A crazy little mama, come a-knock-knock-knockin'
Just like she did before

Oh, walk, walk, diddly walk
Oh, walk, walk, diddly walk
Walk, walk
Yeah
Oh, walk, walk, diddly walk
Oh, walk, walk, diddly walk
Walk, walk

A crazy little mama, come knockin'
A-knockin' at my front door
A crazy little mama a-knockin'
A-knockin' at my front door
A crazy little mama, come a-knock-knock-knockin'
Just like she did before
A crazy little mama, come knockin'
A-knockin' at my front door
A crazy little mama a-knockin'
A-knockin' at my front door
A crazy little mama, come a-knock-knock-knockin'
Just like she did before

A crazy little mama
A crazy little mama
Knockin' at my door
And I said, "Come on in"
She knockin', baby
Oh-oh
A crazy little mama
