

# You Turn Me Around

The Supremes

When I feel the walls start closing in on me  
And I don't like where I've been to  
Or where I'm gonna be  
When I'm heading hard for hard times  
And I know I'm nowhere bound  
You turn me around, you turn me around, you turn me around----  
You turn me around  
(round and round, round and round)

Mmm, when the strain of daily living takes its toll  
(strain of daily living)  
And the crazy fears that haunt me begin to chill my soul  
And I, I don't know what I'm fighting  
I just know I'm losing ground  
You turn me around, you turn me around, you turn me around----  
You turn me around (Whenever I'm with you turns me around)

Just your head on my shoulder (my shoulder)  
Just your eyes reaching into mine  
Makes a little kid in me grow older  
And before I know it, I'll step right back in time

And when I see the way the people carry on  
When it seems that human kindness is all but dead and gone  
Just the sight of you reminds me  
Something good can still be found  
You turn me around, turn me around, turn me around-----  
--  
Oo-oo-oo-oo-oohhhh, you turn me around  
(round and round)
