

## Shorty

## The Wannadies

Oh god how fun to be the one,  
I'm so sad to say  
you're nice and all,  
But you're too tall,  
I have to go now

It always happens to me, always  
They feel attracted to me, Shorty  
Always, they say

If you go, I go with you  
If you stay, I'll wait  
If you don't know,  
I consider this a date

I stayed and she waited for me,  
No chance to get away  
I tried to think,  
Another drink, might help me

It always happens to me, always  
They feel attracted to me, Shorty  
Always, they say

If you go, I go with you  
If you stay, I'll wait  
If you don't know,  
I consider this a date

Stuck in the bar,  
I couldn't get far,  
She was still there smiling  
"It's not me being tall, it's you,  
You're small, I like that"

It always happens to me, always  
They feel attracted to me, Shorty  
Always, they say

If you go, I go with you  
If you stay, I'll wait  
If you don't know,  
I consider this a date
