The Weeknd

There comes a time in a man's life  
Where he must take responsibility  
For the choices he has made  
There are certain things that he must do  
Things that he must say

Like I Love you  
And I need you  
I only want you  
And nobody's goin' to know if it's true

I never thought I'd feel this kind of hesitation (tonight)  
My hand on another girl  
I wish I didn't have to lie  
I wish I could let you know

Cause I love you  
And I need you  
I only want you  
And nobody's going to know if it's true

Valerie  
(Oh Valerie)  
I know you can see through me  
(I know you can see through my lies)  
Valerie  
(Oh Valerie)  
You just choose to never know  
(No you just don't know what I do, what I do, oh Valerie)  
Valerie  
Why pretend to trust in me?  
(I don't know why you try to trust in me baby, but I think I might know)  
Valerie  
(I know, Valerie)  
You'd rather this than be alone  
(Oh, oh, oh, oh, oh, oh)

(2x)  
Cause I love you  
And I need you  
I only want you  
And nobody's going to know if its true

And I love you  
(Cause I love you baby)  
And I need you  
(When I need, need...)  
I only want you  
And nobody gonna know...
