

Loveshit

The Wildhearts

When you're young and you say you believe it, man you're never
gonna ch-ch-ch-change
you can read about it all in imaginary stories but you never ge
t the glory 'cos in life it ain't the same
you give a bit, and you give a bit, and it's all you'll ever d-
d-d-do
but you still keep believing in your loveshit
'cos you're hoping one day it'll happen to you, like

My baby with the sunset eyes, making moves that can burn my sou
l
well it's the last song we'll ever hear before we go

What can I do about this loveshit anyway?
there's nothing you can do to ease my mind
what can I do about this loveshit anyway?
d'you have to waste your life before you find
it's all loveshit

Sign your name on the dotted line, it's time for you to su-su-
su-suffer
you're gonna wish you'd changed your mind in a-three weeks time
'cos then you('ll) find that one lover's like another
say goodbye to it, maybe cry a bit, it's a waste of fucking t-t-
t-tears
but you still keep believing in your loveshit
'cos if you ain't holding hands people say that you're queer

Teacher, teacher won't you open your eyes, teach me something t
hat I need to know
'cos it's the last song we'll ever hear before we go

What can I do about this loveshit anyway?
there's nothing you can do to ease my mind
what can I do about this loveshit anyway?
d'you have to waste your life before you find
it's all loveshit

Oo oo oo-oo
It's a popular myth that we've grown up with since the age of m
an's desire
if it's true romance to be in your pants I don't buy, I don't b
uy, you know I don't buy

What can I do about this loveshit anyway?
there's nothing you can do to ease my mind
what can I do about this loveshit anyway?
d'you have to waste your life before you find

it's all loveshit
