

# Gotta Be Love

Tiffany Darwish

I wonder what you're doing tonight  
I wonder if you're thinking of me  
You can't imagine what  
I'm feeling inside  
I want to see you but I  
can't break free  
How did I ever let it get this far?  
I only wanted you to be my friend  
But now it's turning into so much more  
It's something special, I  
don't want it to end

I want to be with you  
All the time  
You know I need you  
Lying alone with my heart on the line  
I can't get you out of my mind

It's gotta be love  
I feel for you  
It's gotta be love  
What'll I do?  
It's gotta be love

I know you must be out  
with someone else  
I called and let it ring  
a hundred times  
Look in the mirror, I don't see myself  
I just see someone I need tonight  
Maybe I'm crazy to want only you  
When there's so many others that I know  
Who can be everything and love me, too  
But in my heart, they  
just don't come close

Last night you held me  
We stood at my door  
And then you kissed me  
Now tears break like glass as  
they fall to the floor  
I've never felt this way before

It's gotta be love  
I feel for you  
It's gotta be love  
What will I do?

It's gotta be love  
I'm feeling for you  
It's gotta be love  
What'll I do  
It's gotta be love

It's gotta be love  
It's gotta be love

It's gotta be love  
I'm feeling for you  
It's gotta be love  
What'll I do?

It's gotta be love  
I'm feeling for you  
It's gotta be love  
What'll I do?

It's gotta be love (it's  
gotta be love, it has to  
be you)  
I'm feeling for you  
It's gotta be love (gotta be love)  
What'll I do?

It's gotta be love (it's  
gotta be love the matter  
with me)  
I'm feeling inside  
It's gotta be love (gotta be love)  
What'll I do?
