

Rational Culture

Tim Maia

We are gonna rule the world Don't you know, don't you know We are gonna rule the world Don't you know, don't you know We're gonna put it together

We are gonna rule the world Don't you know, don't you know We are gonna rule the world Don't you know, don't you know

We're gonna put it together Want to put it together We're gonna put it together Want to put it together

Listen me all We're gonna tell you The most important thing That you've never Heard in your life You've never heard that before We came from me a superworld World of rational energy And we live In an empty world World of animal's energy Read the book The only book The book of God "Universe In Disenchantment" And you gotta know the true

Oh, right, man Play the guitar
