

Rendezvous

Tina Charles

I'm not school girl Juliet
Who falls in love each night
But I think I've fallen on first sight

Know we only met just yesterday
I barely know your name
But I think I love just the same

I haven't stop thinking about our date tonight
I hope you haven't changed your mind
I haven't stop dreaming about you hold me tight
Tonight all this time

We got a rendezvous tonight at half past eight
We got a rendezvous now don't forget our date
Na na na rendezvous just me and you!

Ah
My head is swimming bells are ringing
I can't move at all
Day is dragging night will never fall

I know we only met just yesterday
In the small cafe
Since that moment I've been walking tall
