### Toad The Wet Sprocket

Well, I wonder do we learn  
Seems we're making the same wrong turn  
Call you sacred, call you obscene  
Call you faithless, call you anything

Call and you listen

Listen, listen, listen

I'm a liar so it seems  
My desire justify a thing  
So is there nothing lies in between  
This cold silence and a scream

Scream

Listen, listen, listen

Caught in headlights, we are frozen  
Can hide there's no break  
No time if you can  
I might listen

Call and you listen

Listen, listen, listen
