

Ride My Bike

Tom Paxton

Saturday morning, dreaming in bed
One little thought runs 'round my head
Summer is here, it's warm outside
Get my bike and ride, ride, ride
I brush my teeth, comb my hair
I grab some toast, jump out of my chair
So long, folks - it's time to blow
Jump on my bike and go, go, go
I'm gonna ride my bike
I'm gonna ride my bike
I'm gonna ride my bike
All around the world
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike
All around the world
Down to the corner, fast as I can
I am the bicycle miracle man
Making my bicycle jump and dance
Watch me win the Tour de France
Down the backstreet, 'round the pond
Bet I'm faster than Greg LeMond
It's so great to be outside
What I like is to ride, ride, ride
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike
All around the world
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike
All around the world
Bet you I could ride my bike to China (ride, ride, ride, ride)
Bet you I could ride it to Japan (ride, ride, ride, ride)
Down to Mexico
No place I can't go
Look out! Here comes the bike riding man (oooo....)
Down to the schoolyard, ten past nine
Meet some very good pals of mine
Here come Jimmy, here come Bill
Here come Jane from Strawberry Hill
We have races, we have fun
We go fast as a horse can run
Every Sunday, what I like
Is getting outside and riding my bike
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike
All around the world
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike
All around the world
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike
All around the world

I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike (ride my bike)
I'm gonna ride my bike
All around the world
I'm gonna ride my
Ride my bike
