

Suzy Is A Rocker

Tom Paxton

Suzy is a rocker
She is good at soccer
You should see her pass
And you should see her score
Get the ball to Suzy
She will drive 'em woozy
Get the ball to Suzy
And she'll score one more
We have a soccer team
We yell, we shout and scream
We run from end to end
Till we can run no more
We're running back and forth
We're running south and north
Sooner or later, though
You know we're gonna score
'Cause
Suzy is a rocker
She is good at soccer
You should see her pass
And you should see her score
Get the ball to Suzy
She will drive 'em woozy
Get the ball to Suzy
And she'll score one more
There on the rocks and grass
We run and jump and pass
We chase the rolling ball
We are a flying blur
We go through thick and thin
We know the way to win
We find where Suzy is
And get the ball to her
'Cause
Suzy is a rocker
She is good at soccer
You should see her pass
And you should see her score
Get the ball to Suzy
She will drive 'em woozy
Get the ball to Suzy
And she'll score one more
We played last Saturday
It was a rainy day
All of the other guys
Were twice as big and tall
They laughed at us until
I passed the ball to Bill
He spun around and then
Our Suzy got the ball
Yeah
Suzy is a rocker
She is good at soccer
You should see her pass
And you should see her score
Get the ball to Suzy
She will drive 'em woozy

Get the ball to Suzy
And she'll score one more
Get the ball to Suzy
And she'll score one more
