

Spike

Tom Petty

Oh, we got another one, just like the other ones
Another bad ass, another troublemaker
I'm scared, ain't you boys scared?
I wonder if he's gonna show us what bad is?
Boys, we gotta man with a dog collar on
You think we oughta' trow ol' Spike a bone?

Hey Spike what do you like?
Hey Spike what do you like?

Here's another misfit, another Jimmy Dean
Bet he's got a motorbike,
What'a y'all think?
Bet if we good we'll get a ride on it
If he ain't too mad about the future
Matbe we oughta help him see
The future ain't what it used to be

Hey Spike, you're scarin' my wife
Hey Spike what do you like
Please Spike, tell us 'bout life
