

I Wanna Be (Your Baby)

Toni Braxton

I'm gonna put it out there.
Lay it on the line. And even if it breaks my heart.
I'm giving it a try.
Not waiting for tomorrow confessing it today
So baby here it goes I'm out of time.
It's do or die.

I wanna be your baby
Won't you be my man?
I wanna be your soldier
When you're too weak to stand.
I wanna be your baby,
Be the end of your day.
Forever in your life
Forever by your side
Forever I'll stand

I'm hanging on a thread, I don't care if I fall.
But I ain't gonna fall even though I don't know if you feel me
at all (feel me at all).
I'm ready to be right or wrong with you ready for my heart to win
or lose.
I'm ready to give all I've got to you.
Boy, I want you to know.....

[Chorus]

[Bridge]

So I am saying I love you.
Ain't holdin nothing back.
And I saying I want you I want you to call my name.
And I wait on you forever.
And I promise that. cuz I
Love you.
I love

I wanna be.....

[Chorus out]
