

# Why Won't You Love Me

Toni Braxton

Hold up, wait a minute, can you tell me, promise you'll be honest  
And you'll tell me everything that you feel  
I just wanna know the truth even if it hurts me boo  
Tell me now if you can, I just wanna understand

Tell me why  
(Why, why)  
Why won't you love me the way I need to be loved?  
I keep trying  
(Try, try)  
Why won't you love me the way I need to be loved?  
Heart is crying, I need to be loved

Hold up wait a minute, can you tell me  
Promise you'll be honest and you'll tell me everything, keep it real  
Is it the way I wear my hair, just tell me the truth, boy  
I don't care, look at me as I am, I just don't understand

Tell me why  
(Why, why)  
Why won't you love me the way I need to be loved?  
I keep trying  
(Try, try)  
Why won't you love me the way I need to be loved?  
Heart is crying I need to be loved

Tell me why  
(Why, why)  
Why won't you love me the way I need to be loved?  
I keep trying  
(Try, try)  
Why won't you love me the way I need to be loved?  
Heart is crying, I need to be loved

What's wrong with me?  
How come you don't wanna be in love with me?  
What can I do to be perfect for you?  
Tell me I'll do anything, I'll be anything

I still love you, I'm sorry  
And I'm gonna make it up to you, baby  
I'm gonna love you just the way you need to be loved  
I'm gonna love you just the way you need to be loved

I still love you, I'm sorry  
And I'm gonna make it up to you baby  
I'm gonna love you just the way you need to be loved  
I'm gonna love you just the way you need to be loved

Tonight I'm gonna show you just how much I love you  
I'm gonna love you, love you, love you like you need to be loved  
Tonight I'm gonna show you just how much I love you  
I'm gonna love you, love you, love you like you need to be loved
