

# Anything Goes

Tony Bennett

In olden days a glimpse of stocking  
Was looked on as something shocking  
Now heaven knows, anything goes

Good authors too who once knew better words  
Now only use four letter words writing prose  
Anything goes

The world has gone mad today  
And good's bad today

And day's night today  
And black's white today

When most guys today that women prize today

Are just silly gigolos

And though I'm not a great romancer

I know you're bound to answer

When we propose, anything goes

GO!

GO!

The world has gone mad today

And good's bad today

And day's night today

And black's white today

When most guys today that women prize today  
Are just silly gigolos

And though we're not such great romancers  
We know that you're bound to answer  
When we propose, anything goes

Anything goes

Anything goes

Anything goes
