## Let's Face the Music and Dance

## **Tony Bennett**

There may be trouble ahead, But while there's moonlight and music and love and romance,

Let's face the music and dance

Before the fiddlers have fled, Before they ask us to pay the bill, And while we still have the chance, Let's face the music and dance

Soon, we'll be without the moon, Humming a different tune And then...

There may be teardrops to shed, So while there's moonlight and music and love and romance,

\*orchestral interlude\*
Let's face the music and dance
Let's face the music and dance

Face the music and dance

Soon, we'll be without the moon, Humming a different tune, And then...

Let's face the music and dance

There may be teardrops to shed So while there's moonlight and music and love and romance, Let's face the music and dance Dance
