

Taking a Chance on Love

Tony Bennett

Here I go again
I hear the trumpets blow again
I'm all aglow again
Taking a chance on love

Here I slide again
About to take the ride again
I'm starry eyed again
Taking a chance on love

Now I thought the cards were a frame up
And I never would try
But now I'm taking the game up
And the Ace of Hearts is high

Things are mending now
I see a rainbow blending now
We'll have a happy ending now
We're taking a chance

I hear the trumpets blow again
And we're taking a chance
About to take that ride again
Taking a chance

Now I walk around with a horseshoe
And in clover I lie
Mister Rabbit, Mister Rabbit of course you
Better kiss that foot good-bye

I'm on the ball again
Riding for a fall again
I'm gonna give my all again
Taking a chance
I'm taking a chance
I'm taking a chance
On love
