## **Black-Dove (January)**

## **Tori Amos**

She was a january girl She never let on how insane it was In that tiny kinda scary house By the woods By the woods By the woods Black-dove Black-dove You're not a helicopter You're not a cop out either Black-dove Black-dove You don't need a space ship They don't know you've already lived On the other side of the galaxy The other side of the galaxy The other side of teh galaxy She had a january world So many storms not right somehow How a lion becomes a mouse By the woods But I have to get to TEXAS Said I have to get to TEXAS And I'll give away my blue blue dress Black-dove Black-dove You don't need a space ship They don't know you've already lived On the other side of the galaxy The other side of the galaxy The other side of the galaxy But I have to get to TEXAS Said I have to get to TEXAS And I'll give away my blue blue dress She has a january girl She never let on how insane it was In that tiny kinda scary house By the woods Black-dove txp.cz
