

# Cactus Practice

Tori Amos

[Tori:]  
Maybe he and I

[Anabelle:]  
Are like a pair of suns  
That are captured

[Tori:]  
Maybe he and I are like a pair of suns  
That are captured

[Anabelle:]  
Eternally linked into chasing  
Each other's spin

[Tori:]  
Eternally linked into chasing  
Each other's spin  
Bound by beliefs

[Anabelle:]  
That have become steel cords

[Tori:]  
Why the disharmony?  
Let's resynch my world  
With a harmonic defiance I'll face this

[Anabelle:]  
I'd like to induct you into  
The drink of the cactus practice  
Cactus

[Tori:]  
Cactus

[Anabelle:]  
Practice

[Tori:]  
Will you induct me into  
The drink of the cactus practice?  
Cactus

[Anabelle:]  
Cactus

[Tori:]  
Practice  
Are you saying I'm

[Anabelle:]  
Reactive but I can work with a doll face

[Tori:]  
Every couple has their version of what they call the truth  
Every couple has their version of what they call the truth

Call all that lies

[Anabelle:]  
Beneath both stories

[Tori:]  
Back to my fire

[Anabelle:]  
Embrace what you find

[Tori:]  
With a harmonic defiance I'll face this

[Anabelle:]  
It's time to induct you into  
The drink of the cactus practice

[Tori:]  
Cactus

[Anabelle:]  
Cactus

[Tori:]  
Practice

[Anabelle:]  
I'd like to induct you into  
The drink of the cactus practice

[Tori:]  
Cactus

[Anabelle:]  
Cactus

[Tori:]  
Practice  
Will you induct me into  
The drink of the cactus practice?
