

## Before Easter

Tracy Chapman

I may beg  
Beg for money  
I may lie and lay my body down  
Sell what I would give with love  
One day before Easter comes  
But I won't let Jesus find me

I walk I eat I sleep  
In these streets I may be found  
Alive or dead or just reborn  
One day before Easter comes  
But I won't let Jesus find me

Jesus knows what I've done  
I won't let him lift me up  
Before I can turn  
To look for him  
Before I can turn  
To look for him  
If Jesus comes around again

I'll cry I'll cry  
I'll cry for help  
I'll let you be the one  
To try to redeem the sins of man  
One day before Easter comes  
But I won't let Jesus find me

I'm gonna hide  
Hide from him  
Hide myself but not the sin  
I'm gonna hide  
Hide from him  
Hide myself but not the sin  
If Jesus comes around again  
I've got the rock the needle  
The bottle of sorrow  
And Jesus Jesus Jesus knows
