

# Long Wet Kiss

Tracy Lawrence

If I was lost on the ocean  
Stranded in the middle of the sea  
I'd have to live on devotion  
Hopin' that you'd rescue me

If I was nearin' the end and runnin' out of time  
The only thing that would keep me alive

It's your long, wet kiss in the mornin'  
That I can't resist, can't deny it when it  
Feels like this, there's nothin' more  
I would miss than your long, wet kiss

Some men are driven by diamonds  
Some, they are drawn to gold  
I could live life on desire  
With only your body to hold

If I was pushed to the edge and had to offer my life  
Darlin', I would pay any price, I wouldn't think twice

It's your long, wet kiss in the mornin'  
That I can't resist, can't deny it when it  
Feels like this, there's nothin' more  
I would miss than your long, wet kiss

It's your long, wet kiss in the mornin'  
That I can't resist, can't deny it when it  
Feels like this, there's nothin' more  
I would miss than your long, wet kiss, baby  
It's your long, wet kiss in the mornin', yeah
