

## Pearly Queen

Traffic

I bought a sequined suit from a pearly queen  
And she could drink more wine than I'd ever seen  
She had some gypsies' blood flowing through her feet  
And when the time was right she said that I would meet  
My destiny

I traveled round the world to find the sun  
I couldn't stop myself from having fun

And then one day I met an Indian girl  
And she made me forget this troubled world  
We're living in

I had a strange dream. In my hair  
I saw a pearly queen lying there  
And all around her feet flowers bloomed  
But they were made of silk and sequins two by two
