

# Don't Love Anybody Else But Me

Triumph

You can talk  
Or I can beat my head against the wall  
'Cause that'd be just as easy  
And I,  
I can't keep giving you it all  
Not if you're just gonna tease me  
Now I don't know how it's supposed to be  
But as long as you say that you're in love with me, darlin'

Don't love anybody else but me  
Don't be waiting for some fantasy  
Don't love anybody else but me  
I could ask  
What it is that's burning you inside  
But then what would protect me?  
In the past  
I never had this much riding on the line  
No, I can't let you reject me  
'Cause no one else kept you this satisfied  
And I'm not gonna wait for you to read my mind, so darlin'  
Don't love anyone else but me  
Don't be waiting for some fantasy  
I've been waiting for you patiently  
Don't love anyone else but me  
How could you do this to us?  
Am I askin' too much?  
At least that's what I'm hoping but then you  
Don't know if we can undo the harm  
You say there's no way of knowing  
But if you're not asking me to set you free  
And as long as you claim to be in love with me  
Darlin',
