

Gimme More

Twenty 4 Seven

Here we are, Twenty 4 Seven
Once again with a new danceflow.

And let me tell you it feels like heaven,
To be a part
of a three-man show.
It is a dream come true and a fantasy,

A very real paradise to me.
I'm living in the
middle of my dream,
Do you know what I mean?

Let's move and dance, shake it,
Because we
are right here to break it.
RVR has made the sound for you,

So let go, that's all you need to do.
Look at the
moves on the floor,
Getting down on happy music.

Don't ever try to ignore,
Cause it's there,
so please use it.
Hey! get loose now,
Cause RVR's
in the air.
And he's gonna make you do now,
So
let me see you stop if you dare.
Gimme more, 'till
I'm satisfied,
Take control and party all night.

We are here, we are there,
Twenty 4 Seven is
everywhere!

Let's put down and make it clear,

I don't know why we are here.
But it's alive
and kickin',
Just like a clock that's
tickin'.
Move, stand up, get busy,
Roll around,
don't get dizzy.
It's easy, like ABC,
Look
around, come down and see.
What's the secret,
what's the key,
If you know, stand up and tell me.

Is it the way we make the people dance,
May be the
vocals of Nance.
That's it, that's all, now you
know,
We've come to the end of the show.

Don't be surprised when you see us, that's

How it was.

Can you gimme more, is it all for me?

All for only me?
Can you gimme more, I can't
believe it's real.
Everything I feel.
