```
Shake! Shake!
Don't go
I believe in a celebration
I believe you set me free
I believe you can loose this chains
I believe you can dance with me
Dance with me
Shake! Shake!
Shake! Shake!
I believe in the third world war
I believe in the atomic bomb
I believe in the powers that be
But they won't overpower me
And, and you can go there too
And, and you can go go go
Shake! Shake!
Shake! Shake!
And we don't have the time
And everything goes 'round and 'round
And we don't have the time
To watch the world go tumbling down
Go! Go!
I believe in the bells of Christ's Church
Ringing for this land
I believe in the cells of Mount Joy
Doesn't understand
And, and you can go there too
And, and you can go go go
I believe in the walls of Jericho (And
you...)
I believe they're coming down (Can
go there too)
I belive in this city's children (And you...
I believe the trumpet's sound (can
go go go go)
And you can go there too
And you can go go go ...
I believe in what I'm doing
```

What am I doing here...
